The Committee on Ways and Means recommends that the bill be amended by striking out all after the enacting clause and inserting in place thereof the following:

1           The commissioner of elementary and secondary education is hereby authorized to  
2   approve the establishment of a pilot vocational-technical education program in criminal justice  
3   by the Greater New Bedford Regional Vocational Technical High School. The purpose of the  
4   pilot program is to determine the feasibility and cost of establishing criminal justice as a  
5   vocational-technical education program pursuant to chapter 74 of the General Laws. Students  
6   enrolled in the pilot program will be considered to be enrolled in an approved vocational-  
7   technical education program for all purposes except for the purposes of funding under chapter 70  
8   of the General Laws. The qualifications of the teachers are subject to approval by the  
9   commissioner. The department of elementary and secondary education will report its  
10   recommendations regarding the feasibility and costs of establishing criminal justice as a  
11   vocational-technical education program under chapter 74 of the General Laws to the general  
12   court by June 30, 2013.
